What Readers Are Saying

"A haunting deep dive into the demons all women must face. A brilliant masterpiece."

-Rea Frey, author of Until I Find You

"A finely crafted story examining the pain and hidden burdens carried by victims of sexual abuse, Stumble & Fall delivers authenticity on every page."

- Jerri Williams, author of Pay To Play and FBI Agents Association Honoree

"It's not easy to weave family drama and romance into a high-tension thriller about human trafficking, but Amy Rivers does it well in Ripple Effect, the third novel in the A Legacy of Silence trilogy. Highly recommended."

- Pat Stoltey, author of In Defense of Delia
